## Day 1

**Tomorrow**
**9:00-16:00**

### Ávila

**1** **Aldeagordillo**

We begin the route on the outskirts of Aldeagordillo, a small rural settlement that still preserves its traditional essence, representative of Ávila's rural heritage

Horas

### Ávila

**2** **Romanillos Bridge**

As we advance, we find a construction of possibly medieval origin, built upon a traditional ford already used since earlier times.

0.33 Horas

### Ávila

**3** **Romanillos House**

This group of buildings located near the Vaquerizos stream forms part of a farming estate, including constructions clearly intended as housing for owners or workers

0.33 Horas

### Ávila

**4** **Steppe Ecosystem**

Although they may appear poor spaces, dry-farming fields and pastures host valuable steppe fauna. With respectful agricultural practices, they harbor species that are discreetly adapted but with striking songs

Horas

### Ávila

**5** **Sanctuary of Sonsoles**

We are at one of Ávila's spiritual, cultural, and scenic landmarks, with great devotional value and privileged views of the rural landscape and the walled city rising on the horizon
