## Day 1

**Tomorrow**
**9:00-16:00**

### Ávila

**1** **Basilica of St. Vicente**

Outside the walls, the Basilica of San Vicente was built in Caleno granite in a way that was greatly conditioned by the lie of the land and in the place where tradition situates the martyrdom and burial of Vincent, Sabina and Cristeta

0.33 Horas

### Ávila

**2** **The Wall**

Besides the archaeological evidence that suggests an original wall from the late-antiquity period (fifth century), set around a small area, the walls date from the Middle Ages

0.33 Horas

### Ávila

**3** **Avila Cathedral**

Ávila Cathedral stands as both church and fortress and its apse, known locally as the cimorro and set in the walls, is the most imposing turret of the east wall

1.00 Horas
